

Calgary Co-op Pharmacy

# June is Stroke Awareness Month

## Are you at risk for Coronary Artery Disease?

# Complimentary Heart Assessment Clinic for Calgary Co-op members

This non-invasive cardio test uses oscillometric pulse technology to measure arterial stiffness. You will receive a computerized screening, printed report and a complimentary consultation with your Calgary Co-op pharmacist.

**Please sign up in advance at any Calgary Co-op pharmacy.**

**Space is limited. Ask your Calgary Co-op pharmacist for details.**
