Ask the Expert: Rudie

Several years ago, my family visited Ottawa and was fortunate enough to be there for Canada Day. We had a wonderful time, but this year will be even better as Ottawa will be hosting the Royal newlyweds, The Duke & Duchess of Cambridge!

There is no better way to say Happy 144th Birthday Canada than spending it in our nation's capital. Adding to the excitement will be street performers, entertainers, games, ceremonies, food vendors, performances, people and, of course, fireworks. Ottawa is definitely the hot spot to be on the evening of June 30th, 2011. All of the festivities take place on Parliament Hill, in downtown parks and in true Canadian spirit, right there on the streets
