Director Election

Preface

Calgary Co-operative Association Limited (Calgary Co-op) is a locally operated co-operative owned by its Member-Owners. The share you purchase when you join Calgary Co-op makes you a member and an owner and provides you with all the value and benefits of membership in this highly successful co-operative.

As a Member-Owner, you can participate in the “one member = one vote” democratic process that is unique to co-operatives. This means you can nominate eligible Member-Owners as a nominee for the Board, vote in Director Elections and actively participate in meetings of Member-Owners.

This handbook is comprised of three parts. Part One provides basic information about Calgary Co-op and the Director Election process. Part Two details the nomination process, election guidelines and nominee skills and requirements. Part Three details the forms that must be completed by a Member-Owner who desires to be a nominee in the Director Elections. Relevant definitions can be found in Appendix 1.

Introduction

The day you purchased your Calgary Co-op membership, you became part of a large community and a Member-Owner with a vested interest in the social, economic, and environmental performance of Calgary Co-op.

The Board Of Directors

The Board oversees the management of Calgary Co-op's business and affairs, subject to the *Cooperatives Act*, regulations, articles, and the Association's bylaws. Directors must be independent and possess a wide range of experience and skills.

The Calgary Co-op Board is comprised of nine Directors. Three are elected each year, although this can vary depending on vacancies. There are two officers on the Board: Chair and Vice-Chair. Board appointment of officers, committees and representatives takes place each year following the Annual General Meeting. The Board is based on a democratic structure and is committed to ensuring good corporate governance within the association. All decisions of the Board must be made in the interests of the entire membership.

The Board operates with five standing committees: Audit, Governance, Nominations, Investment and Human Resources.

Time Commitment

Directors must be available and prepared to devote significant time for Board, committee, or other meetings, and events. These may include, but are not limited to:

1. committing between 30 and 50 hours per month in the work of the Calgary Co-op Board in order to be fully prepared to discuss the matters on the Board agenda.
2. attending 15 – 20 meetings annually including Board meetings, Committee meetings, strategy retreat, training and development, special events and the Annual Member-Owners Meeting.
3. participating in an annual two-day planning session.
4. representing the Board at special events such as store openings, Pancake Breakfasts, and other events.

Board meetings are typically held during regular business hours. However, some Board meetings, committee meetings and other activities may be conducted during evening hours, before or after regular Board meetings, and occasionally on weekends.

Minimum Qualifying Criteria For Nominees

To be eligible to sit on the Board, a Member-Owner must meet the eligibility requirements set forth in the Cooperatives Act and Calgary Co-op's Bylaws. The criteria are noted in Form 3, the Board Nominee Declaration, which must be signed by the nominee.

To be eligible, a Member-Owner, or through a joint membership with a spouse or Adult Interdependent Partner, must have made retail purchases from Calgary Co-op in the immediately preceding fiscal year of at least \$3,600. For further clarification this does not include purchases from Community Natural Foods, Willow Park Wines & Spirits, Beacon Pharmacies or Care Pharmacies. The Member-Owner must have been a Calgary Co-op member for at least two years prior to April 10, 2025. For the 2025 Director Election, the total annual purchases are calculated based on purchases made from October 29, 2023, to November 2, 2024. To confirm the term of your membership or the total annual purchases on your account, please contact Membership Services at 403-219-6025, and select Option 3.

Any Member-Owner who would otherwise be qualified to become a Director under Bylaw Section 5.05 excepting that such Member-Owner does not qualify under paragraph 5.05(a)(i) or 5.05(a)(ii), or both, is deemed eligible to become a Director if the Spouse or Adult Interdependent Partner of such Member-Owner is fully qualified under this Section 5.05, but must become a joint member prior to the record date November 2, 2024, and in such case only one may stand for election as, or continue to serve as, Director.

A Member-Owner may be nominated for the office of Director notwithstanding he or she is then a Calgary Co-op employee, or an employee of Community Natural Foods, Willow Park Wines & Spirits, Beacon Pharmacies or Care Pharmacies, but the Member-Owner may not assume the office of Director if at the time elected, such Member-Owner remains an employee of any of the above-mentioned organizations.

Election Process

Each year, Calgary Co-op asks its Member-Owners to nominate fellow Member-Owners to stand for election for the Board of Directors. All who meet the minimum qualifying criteria may go forward on the election ballot. The nomination process helps our Co-op Board achieve strong and balanced leadership with the right mix of skills, experience, and attributes.

2025 Director Election

Nominations Process

The 2025 Calgary Co-op nominations process is designed to provide Calgary Co-op Member-Owners with information on the Board's required skills and experience. The Nominations Committee oversees the nomination and election process on behalf of the Board. The 2025 Director Election process consists of the following steps:

1. The Board completes the Calgary Co-op Board Profile and approves the knowledge, experience, attributes, and skills desired.
2. The Election Consultant reviews all election applications to ensure the bylaw qualifications are met.
3. The independent Nominee Assessment Consultant uses the Calgary Co-op Board Profile and the Board-approved criteria to evaluate nominees. The evaluation process includes a review of nominee materials, an introductory interview of all nominees as deemed appropriate, and an in-depth interview with the nominees whose qualifications are determined to best match the skills and experience set out in the Calgary Co-op Board Profile. Nominees must participate in the interviews in order to be eligible for recommendation.
4. The Nominations Committee and Board (non-incumbents only) determine which nominees are recommended to the membership. This determination will be based on, in part, the independent evaluation by the Nomination Assessment Consultant.

To assist nominees with their communication activities, Calgary Co-op has developed a set of principles and guidelines to ensure communication activities are conducted fairly and equally by all nominees. Calgary Co-op is committed to presenting each election nominee in a fair and equal manner, so that Member-Owners can make an informed choice. Accordingly, Calgary Co-op will assist nominees as follows:

1. Calgary Co-op will print and distribute election materials to promote all nominees to Member-Owners. Directors elected to Calgary Co-op's Board are expected to act with maturity, tact, and wisdom on behalf of Member-Owners. Accordingly, nominees must:

1. Communicate with maturity and decorum:
 - use the election materials printed or posted online by Calgary Co-op,
 - communicate as an individual; and
 - communicate, without assistance from others.
2. Communicate within these guidelines:
 - Contacting Member-Owners who are not family or friends using email, telephone or text message may not be well received and could negatively affect the nominee's communication and the reputation of Calgary Co-op. Alberta Personal Information Protection Act (PIPA) creates a comprehensive regime of offences, enforcement mechanisms and potentially severe penalties designed to prohibit unsolicited commercial electronic messages.
 - Blanket emails to everyone in your contact list potentially violates PIPA. It is a nominee's responsibility to understand and comply with PIPA and Canada's Anti-Spam Legislation (CASL). All nominees **must** follow these requirements when sending any emails or other electronic messages. Please note that this information is provided for guidance only and is not legal advice.

- A nominee may not use any form of paid advertising to promote his or her candidacy in the Director Election. This is to ensure a fair and equitable election, as all nominees may not have access to resources that include paid advertising.
 - Earned media or editorial coverage is also generally not available to all nominees and while nominees may participate in earned media, they are requested to notify Calgary Co-op of any proactive or reactive media activities, to follow the guidelines around positive campaigning indicated in this handbook and promote the overall election generally.
 - Robo calls are not permitted.
3. Hyperlinks to personal web pages, blogs, LinkedIn, or social media sites are not allowed in nominee digital platforms.
 4. Share with Calgary Co-op:
 - A nominee using his or her own blog, website or social media account **must** submit the link to the Manager of Communications at Calgary Co-op at governance@calgarycoop.com so Calgary Co-op can follow along.
 - Nominees are asked to make their accounts public if they choose to share campaign information so it can be accessed by all.
 5. Speak for yourself:
 - If a nominee wants to share specific ideas about Calgary Co-op's future with Member-Owners they know, the nominee must make it clear these are personal ideas alone which have not been endorsed by Calgary Co-op, the Board, or management.
 - It is not appropriate to make promises about how the Board will act in the future.
 - Use of any logos, photos, phrases, or other elements of Calgary Co-op branding in communication materials is not permitted.
 6. Be positive:
 - Nominees should speak positively about why they would be a good Director and how their competencies, skills and experience can enhance the Board's role in overseeing Calgary Co-op on Member-Owners' behalf.
 - Negative comments about Calgary Co-op, other nominees, management and staff or the Board are unacceptable.

7. Nominee's endorsement status:

- Recommended nominees may include the Board's endorsement in personal communications.

- Nominees are not allowed to promote themselves on Calgary Co-op premises, including stores, gas stations, parking lots and offices.
- Nominees may not ask Calgary Co-op employees to assist with any communication; this includes developing materials, writing nominee statements, or taking photographs.

Policy: Non-Adherence To The Communication Policy

A nominee may be disqualified from the election with a consensus vote of the Directors not running for re-election if, in the opinion of those Directors, the nominee breaches or violates the communication policy or guidelines identified.

Nominee information including the photograph and election platform will be used for the purpose of communicating to Member-Owners, the public and other audiences or election consultants as part of the Director Election process. Following the Director Election, the election firm will provide this information to the Board Executive Assistant for retention in the Director's file with Calgary Co-op.
